Avio

Avio is a leading international group operating in the manufacturing and development of space launchers and propulsion systems. The experience and knowhow built up over more than 50 years puts Avio at the cutting edge of the space launcher sector, solid, liquid and cryogenic propulsion and tactical propulsion. Avio operates 5 industrial facilities in Italy, France and France Guyana, employing approx. 1,000 highly-qualified personnel, of which approx. 30% involved in research and development. Avio is a prime contractor for the Vega programme and a sub-contractor for the Ariane programme, both funded by the European Space Agency ("ESA"), placing Italy among the limited number of countries capable of producing a complete spacecraft.
